

# PRODUCT ROLLOUTS

When Reliability and Precision Matter Most

At Estes, we know that successful [rollouts](#) consider every detail and rely on precision. That's why we leverage our vast terminal network and comprehensive freight shipping services to help you manage every aspect of your product rollout from pickup to delivery.

## Bringing a new product to market? You can count on Estes for:

- » A single point of contact for the life of your rollout
- » A team of dedicated logistics experts that works closely with you to identify your needs and develop thorough plans for moving your freight across the state, country, or globe with precision
- » Best-in-class [Time Critical Guaranteed](#) service, which guarantees all aspects of your shipment from on-time pickup to damage-free delivery on the appointment date
- » The industry expertise and resources to meet the challenges rollouts present, such as higher-than-normal shipping volumes, new lanes and distribution patterns, and [narrower-than-usual delivery windows](#)
- » A vast network and comprehensive suite of freight shipping solutions to support all your unique rollout needs, including [Less Than Truckload](#), [Volume LTL and Truckload](#), [Final Mile](#), [Supply Chain Management and Logistics](#) services, and [Global Freight Forwarding](#)

Want to learn more about how Estes can take your rollouts to the next level? [Contact](#) our dedicated rollouts team or give your account manager a call today!

*At Estes, going the extra mile isn't just what we do—it's who we are*
